

WINTER WARMER (All Grain)

Official NORTHERN BREWER Instructional Document

Minnesotans know more about keeping warm than just about anybody in the world. That's why we patterned our delicious Winter Warmer recipe after a famous locally brewed winter ale. This beer starts big and malty, and finishes with a warming alcohol note. It is hopped with spicy Willamette hops. Don't forget, a bottle of Winter Warmer makes a great stocking stuffer!

OG 1.069 READY: 2 MONTHS
